Daughters of the American Revolution

Dear Scholarship Coordinator:

Scholarships available through DAR

Various local, state and national scholarships are available through the Daughters of the American Revolution (DAR). Each has separate requirements.

The \$300 Jared Mansfield Chapter local scholarship is open to all students, both genders, who will be attending OSU-Mansfield, NCSC, or the Dwight Schar College of Nursing, Mansfield and **pursuing any field of study**. Our local Jared Mansfield Chapter Scholarship is open to any student currently enrolled at any of the above schools.....not just graduating seniors. Call Scholarship Chair Margie Warner at 419-756-8937 for more information. **The completed application MUST be postmarked by APRIL 15.**

The Ohio Society Daughters of the American Revolution awards the "Wings of Eagles" scholarship to graduating high school seniors, including those completing a certified home school program, in the amount of \$1,000 each. Awards are based on academic excellence and financial need. All applicants must be citizens of the United States and legal residents of the state of Ohio and must attend an accredited college or university in the United States. All applications MUST be submitted on line through the state website(www.ohiodar.org/scholarships). **The applications for this scholarship MUST be received by Feb. 7.**

The National Daughters of the American Revolution, NSDAR, also offers scholarships in many different majors. This year, DAR is pleased to announce that all students will submit their applications using an online process. Please go to www.dar.org/national.society/scholarships to apply. Emailed or mailed applications will no longer be accepted. **The deadline for these is Feb. 15.**

Please copy, distribute and post the enclosed materials regarding our local chapter's scholarship program, along with the state and national criteria so that information reaches all eligible students. We want to encourage and support local and regional students that may not be included in other large school grants and scholarships.

DAR scholarships can open doors of opportunity to many students. In the past we have had recipients from local, state and national levels and in multiple disciplines. Your efforts on behalf of tomorrow's leaders are appreciated. **Call Scholarship Chair Margie Warner at 419-756-8937 for more information.**
